LB 791

been an opportunity for a hearing whether it's an appropriate amendment even if it is germane to be attached to LB 791. I, at this time, rise to oppose the amendment.

SPEAKER NICHOL: I'm going to rule on that as being germane. Okay.

SENATOR NEWELL: Well I'd like to, I'm not on your back. In fact, Senator Goodrich, I think you have a good bill and I was prepared to vote for it. If this amendment is attached, however, I don't think it any longer becomes a good proposal and I'll be prepared to vote against it. And I think that that's the real issue here. The issue is whether or not this Legislature will continue to make major tax exemptions and maybe minor tax exemptions. I don't know what the effect of this bill will be at all on Select File. I think it's bad precedence, bad policy. It's wrong and at least this Legislature ought to object to and oppose this amendment at this time.

SPEAKER NICHOL: Senator Hefner, did you wish to talk? Your light is on. The question is the adoption of the Hefner amendment. All those in favor vote aye, opposed nay. Senator Hefner, you want to do anything about this? It's your amendment. Including Commonwealth, 21.

SENATOR HEFNER: 21. I was wondering if, looks like we're going to have to have a Call of the House.

SPEAKER NICHOL: Question is, shall the House go under Call? All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 5 ayes, 2 nays to go under Call, Mr. President.

SPEAKER NICHOL: House is under Call. Please return to the floor and record your presence. Senator Withem, Senator Wagner, please record your presence. Senator Morehead. Senator Kilgarin, Senator DeCamp, Senator Pirsch. Senator Barrett, Senator Beutler, Senator Carsten. Senator Scofield. Senator Chronister. Senator Labedz, Senator Lamb. Senator Richard Peterson.
